

## How to Turn Off Internet Explorer Compatibility Mode

1. Open **Internet Explorer**
2. Click **Tools** (if you cannot view **Tools**, then please click "**F10**" on top of your keyboard).

3. Click **Compatibility View Settings**
4. Remove any websites that have **\*.azdoa.gov**
5. **Deselect** the three boxes on the bottom of screen

Make sure **\*.azdoa.gov** is not listed in this section. If there is a listing, please remove.

Make sure the three boxes are **Deselected**
